The schedule is amended as follows:

- Rule 26(a)(3) disclosures and all motions in limine are due on January 18, 2012; objections are due on January 25, 2012;

- Proposed voir dire, jury instructions and special verdict form are due on January 18, 2012, along with a memorandum explaining the reasons for the requested instructions and verdict questions and citing any relevant authority for them; responses are due on January 25, 2012.
- The final pretrial conference will be held on Friday, February 3, 2012 at 3:00 p.m.
